HEBET EN BA: THE BOOK OF RITES

hebet *en* *Ba*
 the book of the service of the Soul

Invocation of the Godself

We all "sense" the presence of Amen, the Hidden One living within us.. and all spiritual Paths attempt to connect us consciously with "him" (or "her" or "it!.") This invocation informs Amen that you "know" of him and wish to integrate him fully. Used however often one wishes for an initial period of "Introduction" to the Godself Within, this Invocation may stimulate Amen's "revelation" of himself to you while also establishing the "dialogue-circuit" of "logoic speech" in Egyptian between you and your Indwelling Godself, Amen.

Nuk *per* *Amen,* *ami-ab,*
 I, coming forth am Amen (the Hidden One) pure of heart

per-ab *ami-* *kshat.* *Anksh-a* *em* *t'ett'a-a.*
 within the pure of body. I live through my words.
